SECRET CRUSHES

We all know you wish you could hook up with the ladies in these pages. While highly unlikely, we encourage you to let them know you'd drink their bathwater, bear their children, or just that you have a secret crush on them.

I've been a long time fan of Chanel Preston. She's a girl that can do no wrong by me. I look for all her movies, all her magazine appearances, and try to get as many a shows and signings as I can. At first I would be jealous of her getting fucked, but soon came to realize that I would probably never have her so I turned my jealousy to loyalty and cheered her for every cock she took in her mouth, for every pussy she licked, and for every minute she was on my screen. I hope this doesn't sound too weird. I'm not they type of guy who sits at home with cock in hand jerking to porn every day. I have just come to realize that a beautiful woman can be adored from afar.

– Lawrence, KS

I'm a twenty-three year old woman, just out of college a couple years ago, happy in my relationship with a man, and happy in my relationship with a woman. I have to admit that I like porn, but especially I like lesbian porn. It doesn't have to be realistic. I enjoy lipstick lez as well as butch bangers. But what I like the most is to watch lesbian porn with my man and my woman. Their reactions are so different and yet very much the same. My guy will focus on the attractiveness of the ladies, commenting on their bodies, their boobs, their faces and hair. My lady lover loves to talk about their licking techniques, the clothes their wearing, if any, and their hair. For me, I like it both ways, and I like talking to each of my lovers about them. I decided to write to you because of the pictorial I saw with Cassandra and Sheena. You go girls, and guys, too!

BLAIR-NTS-03

I HAVE TO ADMIT IT, I'M AN ASS WOMAN

They say that men are the more visual sex. They get turned on more easily just by looking at naked women. Well, I get turned on by looking at naked men, especially those with hard, tight butts! Yummy!

Okay, I am an ass woman. Have been since my first college phys. ed. class when I saw Mr. Mason in his tight, white shorts, his butt cheeks rippling deliciously as he strolled about the hardwood floor. I never missed his class.

A tight, well-rounded set of buns will do it for me every time. Only I don't stop at admiring a massive pair of gluts. I like to feel, caress, cup, knead, sink my fingers into that tight muscle and flesh. And then I get really kinky, licking, tonguing crack, and burrowing a finger right into his brown star.

There was this time my husband and I were hosting a neighborhood backyard barbecue. My husband, Paul, looked pretty good in his baggy shorts. My new neighbor two doors down, Clint, looked even better in his jeans that look like they had been spray-painted on. The blue denim caressing twin, taut, luscious, mounds that left my mouth and pussy watering.

I love my husband, but my ass fetish is stronger than our wedding vows, and he knows it. He was nervously glancing at Clint as he manned the grill, watching me stare and lick my lips.

So when Clint went into our kitchen to get a glass of water, I just had to follow, I locked on his shifting clenching gluts as he stepped up into the kitchen from the patio. I caught him up against the sink, pasting my damp hands onto his perfect posterior. He choked on the mouth full of water when I did. "I can't help myself." I said to Clint. I breathed closer to him from behind squeezing, plying the man's delicious back bumps. "You got the best ass I've ever seen." I said.

He set down the water glass with a shaking hand. "Uh, thanks Marie, but..."

I didn't give him a chance to protest, deftly popping his jeans open at the front pulling them down at the back. I saw in all its glory what I suspected from the lack of underwear lines, the guy wasn't wearing anything under his jeans. His naked swollen ass orbs burned before my eyes.

I clamped my hands on his heated skin. Clint grunted, grabbing onto the counter as I drop down onto my knees on the kitchen tiles, facing the man's magnificent butt. He stuck out his ass, going my way. I gripped and groped one mound then the other. I swirled my tongue all over the man's gluts, flattening my tongue out and smearing saliva all over his taught butt. Then I slapped the slick flesh, delighting in the sound and the sight of elastic flesh rippling and bouncing back. I patty-cake his twin, trembling cheeks like a mad woman.

"Hell Marie!" Clint rasped. "You really like ass, huh?"

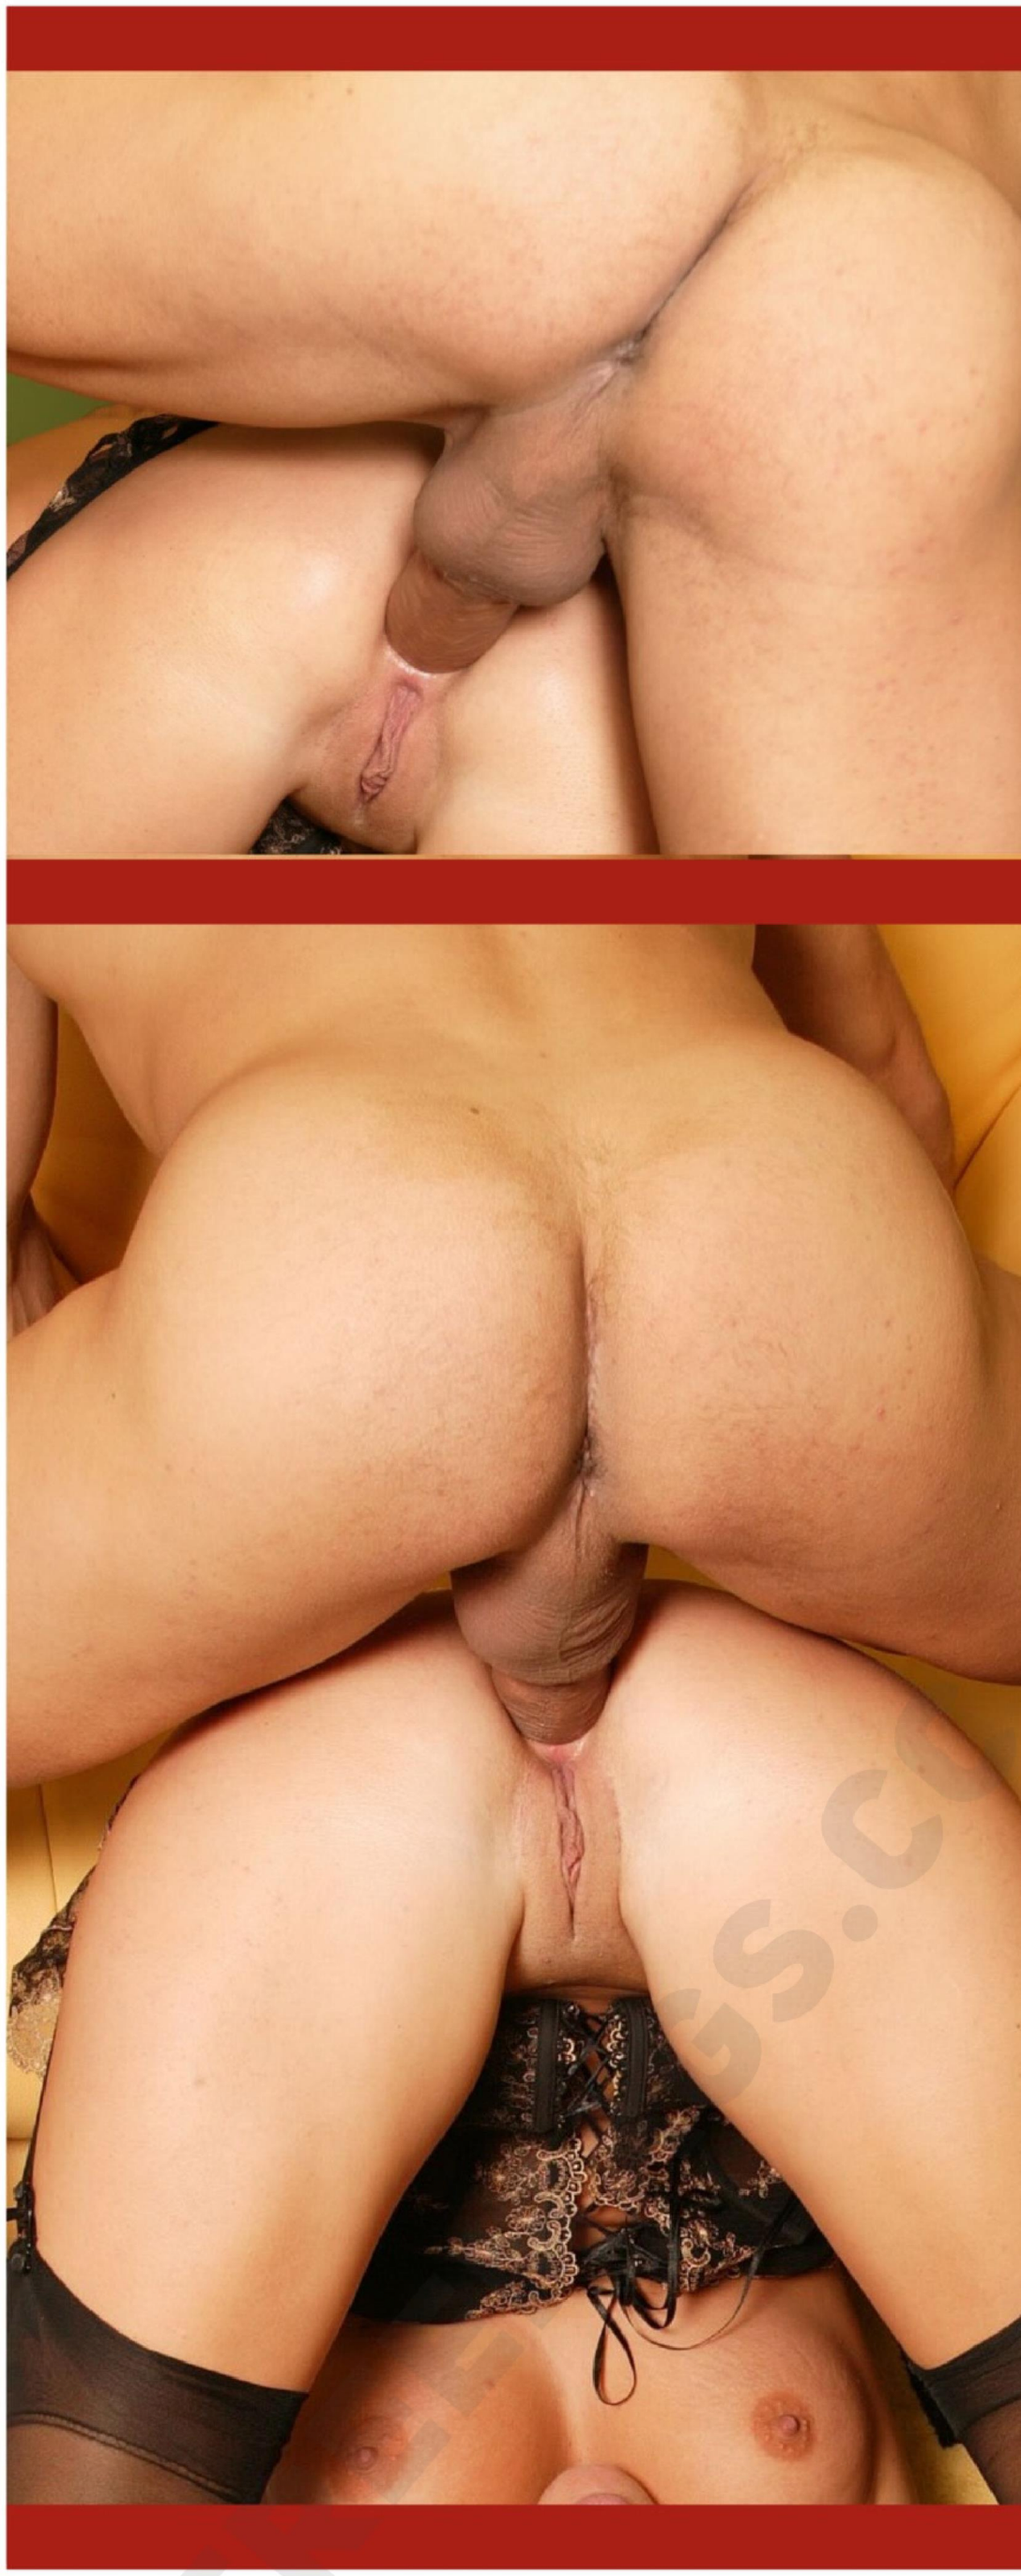
"Correction. I love ass." I said. To show him just how much, I bit into his right cheek, making him jump all over again. I chewed on the one buttock, then the other. Then I split his cheeks wide open with my clawing hands and stared at his deep dark pucker. Not for long. I plunged my tongue in between his pulled-back cheeks, hitting his starfish with the wet tip of my lust.

"Oh fuck!" he howled, buns vibrating in my hand.

I swirled my tongue all around his pouty pucker, letting the texture, the taste, the smell permeate my olfactories. Then I squirmed the tip of my pink router right through his ring, pushing the entire length of my probe into his chute. He jumped on the end of my tongue, as I wiggled it around inside him. I pulled back, out, spread his ass as best I could and licked up and down his hairy crack.

"Fuck almighty!" he growled, experiencing absolute ass worship for probably the first time.

I gripped his cheeks and bobbed my head up and down, licking is ass in long, loving, wet strokes. I had worked myself into an absolute frenzy, craved total satisfaction from this man after consuming his back. I jumped to my feet and dragged him into the bedroom I share with my husband.



Our clothes were scattered. We fell onto the bed, naked, Clint on top of me. I grasped his buttocks as he pushed his tremendous erection onto my soaking pussy as I stared up at the mirror on the ceiling.

The mirror allowed me to see his glorious ass, as well as feel, the pumping, clenching, shuttering of his cheeks as he slammed his cock back in and out of my pussy. I gritted my teeth and glared at the ceiling, hands and eyes locked on to his rippling rump.

His buttocks seem to burst in my hands, convulsing, burning superheat with a film of sweat on the moist surface. As he sprayed his semen inside me, I quivered with my own total joy, orgasming on the end of his buried, blazing cock, my hands full of his beautiful ass.

Paul watched it all later that night, courtesy of the camera we have mounted in the mirror on the ceiling. He made me eat out his ass as punishment for my wicked ways. A pleasurable punishment for the both of us.

So ladies, enjoy all that your man has to offer. If he's hesitant at first, convince him with a lubed finger just circling around. Instantly he'll fell the tingle. Talk about it with him and tell him you liked doing it. Work up to using your mouth and tongue. Then one day you may have a story like mine.

Wishful Thinking

Allie Haze

Full of girl-next-door good looks, an enchanting smile, and plenty of raging hormones for three, Allie's the little stunner we all want to fuck. Unbeknownst to most, Allie was a preacher's wife who wanted to break out, and boy, did she. One of the hottest stars in the business, she is always ready and willing to cum.

Wishful Thinking

Allie Haze

Hey Allie, you're right on time as usual. I wish all my appointments went as smooth as with you.

I have always been punctual. It's one of my better traits,

That's nice to hear, but sitting across from you, I see more of your better traits – and they're great.

Thanks, that's sweet. It's kinda become part of my character.

So, I was surprised to realize how long you have been an adult performer. Let's just say more than five years.

Yes, time has flown, but I must say that I've enjoyed almost all of them. Especially when I'm around my fans.

Tell me why you got into the biz and if you'll be staying in it.

It was like a lot of girls, I was young, needed money, knew someone who knew someone, who knew someone to take pictures and submit them. I thought I wouldn't be in the business very long because of my strict upbringing. At first I thought I would limit myself to girl-girl scenes since my boyfriend at the time didn't want me to do guys.

But obviously you did..

Yeah, I kinda broke down and after a few months I was sucking cock and filling my pussy with it, too. I liked fucking both sexes so I was always pretty busy.

Do you have a favorite actor or actress or director?

I do, but those are personal preferences and perhaps not discussed at this point in time.

FREEMGS.COM

Wishful Thinking

Allie Haze

I understand. But who are they?

You rascal, I mean it.

Okay, I'll move on. I noticed you didn't mention getting your ass filled with cock a minute ago. Why?

Oh, no reason. I was just saying. I do anal scenes, but it took a while for me to get used to it. I had never done it before the adult biz, but now is a lot of fun and a good money earner.

How much of a life do you have outside the industry?

Much more now that I've been in it a while. I've got some money put away, so I have the ability to take off a little more often. But I like to stay in demand. As you know, there are new girls every day and the competition is tough. Fortunately for me, I have a young looking face so I can still easily pass for an 18 or 19 year old.

What do you do when you're not in front of a camera?

I masturbate a lot. (laughs) I like to travel. I fantasize about visiting every state – and having sex in every state.. I know that sounds a little bit weird, but it's the two best things I like to do. I have even selected the city and place where I wasn't to get laid, but some I think may only end up being a blow job for my partner. Does that count?

In my book it does. Would you like to share where you'll be fucking in – say – South Dakota or Vermont?

Well, let me think back. I know. In South Dakota I want to fuck on Mt. Rushmore, the way Cary Grant did in that movie. Well, he actually didn't fuck there, but right under the presidents nones would be such a blast. As for Vermont, let me think for a minute. This was a tough one for me when I was planning all this... I decided that I would try to give my guy a hummer by dipping his cock in ice cream at Ben & Jerry's.

That sounds fun, and kinky. Can you give me one more place just for chuckles. Which state sounds like the most fun to you?

Wow, lemme think... if there's any way to get fucked from behind at the top of the Empire State building or the St;. Louis arch, I'd go for that. I know there's a lot of sightseers, so we'd have to be very, very discreet. Just so you know, neither one of us would need to cum. It's just about the insertion so I can check the box.

Sounds like you've really planned this out.

Yeah, I'm looking forward to it, especially figuring out how to have sex in all those places! Wish me luck!
